**Re: Sutter West Bay Hospital d/b/a California Pacific Medical Center and  
International Union of Operating Engineers, Stationary Engineers, Local 39  
NLRB Case 20-UC-076774**

Dear Executive Secretary:

On June 11, 2012, the International Union of Operating Engineers, Stationary Engineers Local 39 ("Local 39") filed a Request for Review pursuant to Board Rules and Regulations 102.67. It was brought to Local 39's attention that the Request for Review was actually entitled "Request for Reconsideration." In order to avoid any confusion, Local 39 hereby re-submits its Request for Review with an amended pleading title and footer-captions. Local 39 has served this amended Request for Review on the Charging Party and has filed a copy with Regional Director Frankl.

I apologize for any confusion created by the mis-titling of Local 39's Request for Review. Thank you for your time and consideration.

Sincerely,

  
Sean D. Graham
